 - compliance with accounting standards and other legal requirements.
- vi) Reviewed the related party transactions and conflict of interest situation that may arise within the Group including any transactions, procedure or course of conduct that raises questions of Management integrity.
- vii) Commissioned special reviews on specific areas of operations.

INTERNAL AUDIT FUNCTION

The Group had an Internal Audit Department which is independent of the activities or operations of the Group and which provides the Audit Committee and the Board with much of the assurance it requires regarding the adequacy and integrity of the internal control.

Its principal responsibility is to undertake regular and systematic review of the system of internal control so as to provide a reasonable assurance that such system operates satisfactorily and effectively in the Group and report to the Audit Committee on a quarterly basis. Internal audit strategy and a detailed Audit Plan are presented to the Audit Committee for approval. The internal audit function adopts a risk-based approach in preparing its audit strategy and plan. The internal audit strategy and plan is developed based on the risk assessment of the Group. The Board ensures that appropriate management responses are given to any key audit findings and the relevant corrective and/or preventive actions are undertaken.

The Board, together with the Internal Audit Department and the Management, are taking the necessary measures for the continuous improvement of the internal control environment.

During the financial year, the total cost incurred for the internal audit function is RM 54,582.00.
